JULY 2013

POWERHOUSE THEATRE 2012/13 SEASON

President's Message

I hope you're all enjoying a good summer, and perhaps we'll see you at the summer party on Aug 11.

I must say a big thank you to Willem, Dave B, Yvonne, and David Jenkins, who are sprucing up the green room and making it look good for our 50th.

Another big thank you to Cara, Sarah, Maia, Bob and Arlene who are helping Joan to cull costumes. What a huge amount of work everyone did!

Plans are already underway for Death trap, So if you want to help call Cara Nunn (tech producer) 250-540-2557 or me (admin).

See you soon!

Sarah

GREENROOM RENOVATION

Dave Jenkins is hard at work

A huge thank you to Willem Roell and his team of Dave Jenkins, John Lomas, Yvonne Carnell, Bob & Arlene Spearman, Sarah McLean and Dave Brotsky for the wonderful job they did deconstructing the walls of the Greenroom in preparation for new drywall and paint to freshen the room for the 50th Anniversary Gala this fall.

Yvonne wheels her broom.

YOUR HELP IS NEEDED

If you can give the team a hand to paint the room once the drywalling is done, you should call Willem at 250-838-6684 and let him know.

The Last of the Cedar walls

Powerhouse Member, Ron Coutts, a refrigeration technician tries to determine why the Bar cooler isn't cold. He has taken it to his shop for repair so that all will be nice & chilly for the 50th party.

Get ready for a massive Costume Sale. If you can help organize it, please give Jessika a call at 250-307-8502
