POWERHOUSE THEATRE 2012/13 SEASON

## President's Message

Hello Everyone,

The end of our season is almost here, and we're ending it with a bang! 'Last of the Red Hot Lovers' has been a fun play for Monty and the cast and crew, and will be a big hit with the audience.

Sometimes, at this time of year, because of golf and other seasonal pas-times our houses have fallen short, so pass the word around to friends and family . . . this is a fun play, lots of laughs, and if this weather doesn't improve, it'll brighten your day!

After that we dive right into the Zone Festival. To recognise our 50th Anniversary we have named it 'Let's Celebrate', so check out the plays on our Website, choose some that you'd like to come and see, and buy your tickets now. It's a really interesting and informative week if you come every night to hear what the adjudicator has to say, then come to the coffee critique in the morning and participate in an in depth discussion and analysis of each play. I promise, it's a week you will learn much and never forget.

*Sarah*
